I'm Ana, a front-end developer turning design ideas into responsive, user-friendly websites. I have hands-on experience with React.js, TypeScript, Tailwind CSS, and back-end technologies, building modern web applications with a focus on usability and performance.

Work Experience/Projects

Lecturer's Assistant – ICT Literacy | Tbilisi State University | Tbilisi, Georgia | Oct 2024 – Jan 2025

- Assisted in preparing and grading assignments and evaluating student progress.
- Supported students with technical difficulties and answered course-related questions.
- Monitored students during exams and assisted lecturer with administration tasks.

Front-end Developer – Dashboard Demo & Award-winning Website Projects | GOA Training | 2025

- Built responsive web applications using React.js, TypeScript, Tailwind CSS and GSAP.
- Developed reusable UI components (cards, navigation bars, headers, sidebars) ensuring consistency and scalability.
- Deployed applications live on Vercel for interactive demonstrations.

Front-end & Back-end Skills Projects | GOA Training | March – November 2025

- Hands-on experience with Node.js, Express.js, MongoDB, REST APIs.
- Built responsive full-stack applications with attention to usability, performance and best practices.

Education and Certifications

High School Diploma with Honors (Gold Medal) | LEPL – Tbilisi Public School №166 | Sep 2009 – May 2021

B.Sc. Computer Science | Ivane Javakhishvili Tbilisi State University | Sep 2021 – Aug 2025

- GPA: 3.6/4.0
- 70% State Scholarship recipient
- Three-time Semesterly Stipend winner

Back-end Development – PHP & Laravel Certificate | New Horizons | Feb 2025

Completed practical training on PHP and Laravel frameworks.

Back-end Development – C/C++ Certificate | New Horizons | Nov 2022

Gained hands-on experience in C/C++ back-end programming.

Technologies and Languages

- JavaScript, TypeScript, React.js, Node.js, PostgreSQL, MongoDB, REST APIs, Mongoose, React Hooks, Express.js, GitHub, HTML, CSS, Material UI, Tailwind CSS
